

TMACTIVE TAKE ON PRIMA

tmactive is delighted to announce that it will be taking on the operation of Prima Stage School from 1 September. Although the running of the programme will remain very much as it currently is, we will be introducing a few changes which will improve pupil progression through the School and the way you pay for your lessons. These decisions have been made in consultation with Julie Hutchings, who we are thrilled will continue as Principal of the School.

From 1 September we will be launching a 45 week programme, which is in line with our Swim School and Dryside courses programme. It is proven that progress made by pupils through a traditional termly programme is sporadic and they often regress during long breaks. With more contact time between pupils and instructors, pupils will progress at a steadier rate as well as optimising the opportunity to fulfil their potential and retain their fitness levels.

Tuition and development will continue throughout the year. Progress and skill development will be continually monitored and when a pupil meets the criteria of their current grade, they will be entered for external exams with the IDTA or LAMDA.

To enable pupils to gain maximum benefit, Prima will run for 45 weeks of the year—providing a two and five week break during Christmas and in the Summer holiday respectively.

There will be **no price increase** this year and we are introducing payment for lessons by Direct Debit, so that you can **spread the cost over 12 months**.

The benefits of this option also include the following:

- **Discounted lessons**
- **4 FREE swims** per month per pupil at Larkfield Leisure Centre or Tonbridge Swimming Pool
- **FREE Priority Card** offering discounts and benefits, plus priority booking on all courses

RE-ENROLMENT WEEK

To secure your child's place for September, it will be necessary for you to enrol during week commencing Monday 1 to Monday 8 July (café area and/or the MA desk) as follows:

Mon 1 July – Thursday 4 July – 3:30 to 7:30pm; 5 July – 3:30pm to 5:00pm;
6 July – 09:00 to 12:00; 7 July – 10:00 to 13:00; 8 July – 3:30pm to 7:30pm

Please be assured that the School will continue to run on existing successful lines, but we hope that by taking over the operation, Julie and the Prima teachers will be able to concentrate on the things that really matter, such as the great quality teaching that all Prima students enjoy!

Those signing up will be able to enjoy the above benefits during the Summer holiday period as well.
